Introduction to the staff: this should be a medium sized block - probably stored in a section html element.

Quick about: this should be a medium sized block - probably stored in a section html element.

Footer with footer image

The page supposed to display only the most important parts of the business, a brief overview of everything. Hopefully this peaks the intrest of potential customers and they check out some of the other links to get more detail. For current students, this page should have the key information that they may need to check up on.
